States' Responses to Question Submitted by One Proposer

The following questions were submitted by Andrew Adams, Stewart Tool Co.

Question 1: If the proposer is denied the winning contract by the state, will the state retain the proposer proposal bond? Or will state refund the proposal Bond?

Answer 1: Per page 8 of the RFP, proposal bonds will be returned to all proposers once a contract is executed.

Question 2: Will an ambulance be required to be onsite at all times for practice days only?

Answer 2: No. Refer to Sample Contract page 7, item 14. Only item 14 requires an ambulance - "Concessionaire must: "provide a minimum of (1) Paramedic and (1) EMT certified by Sacramento County EMSA and one (1) properly equipped ALS ambulance for events and event practice days."
